Who We Are

Americare offers on-site repairs, maintenance & installation for appliances and HVAC/Refrigeration throughout New York City and Florida. We sell parts for both our repair services and to the general public.

Our Specializations

We specialize in a variety of HVAC systems including cooling towers, chillers, AHUs, PTAC units, window units, and both multi-zone and single-zone mini-split systems. Additionally, we offer customized solutions for walk-in freezers and coolers, reach-in coolers and freezers, supermarket racks, ice machines, and serving lines. We also provide repair services for any type of appliance, whether it's residential or commercial.

Why Choose Americare?

- Client happiness is our #1 priority
- Fair and affordable prices
- Certified and experienced technicians

We are certified, licensed, insured and bonded.
